

SNO-BARONS RAFFLE OFFERS NO RISK FUNDRAISER FOR MN USA CLUBS

As they have in the past several years the Sno-Barons are once again offering the no risk raffle ticket sales drive as a fundraiser for MnUSA clubs and other organizations. Due to the generosity of the snowmobile manufacturers and the Sno-Barons, the raffle program has four premium quality snowmobiles – an Arctic Cat 2011 F5LXR 500, Polaris 2011 600 IQ Shift, Ski-Doo 2011 MXZ Sport 600 and a Yamaha 2011 Phazer RTX as prizes for the 2010 raffle.

Selling raffle tickets is not always that easy, but with four chances to win a top-line sled for only \$1.00, selling tickets should be much easier. But the best part about this raffle is the opportunity for club members to earn some money for your club or association without bearing the cost and risk of obtaining the prizes. The only cost to your club is 15% of your total ticket sales proceeds (plus postage if that is involved).

The program is extremely simple. The Sno-Barons have the tickets for the raffle printed and ready to go. Clubs interested in raising funds for their organization by selling tickets need only to contact Judy Seviola – (612) 964-3634 or email jseviola@gmail.com – to obtain tickets. She will mail them to you at your expense or make other arrangements to get them to you.

Organizations have been very successful raising funds with this raffle program. Remember, your group makes 85 percent and with four sleds as prizes, selling should be easier than ever!

Ticket sales can continue until the fourth week in August. Unsold tickets and sale proceeds (check, cashier's check or money order only) need to be returned to Judy Seviola on or before August 31, 2010. The raffle for the snowmobiles will be held at the end of the day on September 12, 2010. The winner need not be present to win!

The raffle is organized so the first name pulled has the choice of the four sleds, the second name pulled would have their choice of the three remaining sleds, the third name pulled would again have their choice of the two remaining sleds and the last name pulled gets the last sled! Arrangements will be made after the drawings are completed for the winners to pick up their prizes.

Approximately, within six weeks after the race, the Sno-Barons will send the participating organizations a check minus the 15% and the postage cost if involved. If your club took 2,000 tickets and sold 1,800 and \$5.80 was spent on postage, the Sno-Barons will send a check for \$1,524.20. This is a terrific no-risk fundraiser every club should consider participating in this year. If you have any questions, please call Judy Seviola at 612-964-3634 (cell) or e-mail her at jseviola@gmail.com. Information about the raffle is also available on the MnUSA website.

Snowmobile clubs participating in this fundraiser must have 100% of their membership belonging to MnUSA. Organizations that are not a snowmobile club must join MnUSA as an associate member and the \$50.00 membership fee will be deducted from your sales.

Not part of the raffle, the Sno-Barons are sponsoring another giveaway at Haydays. Two 120 sleds – an Arctic Cat 120 and a Polaris 120 will be given to two children twelve (12) years and younger. The child can not be (13) thirteen on or before September 12, 2010.

Each child attending the race can obtain a registered ticket at the MnUSA booth for the drawing. The child need not be present for the drawing to win. The winners will have to provide a copy of their birth certificate when they pick up their sled at the dealer.
